## About Zoo Camp...

**Zoo Camp** is an innovative program involving nature exploration and discovery for young people 6 to 11 years of age. Campers get hands-on experience with some exotic and indigenous animals, as well as, opportunities to explore nature along trails in Forest Park. Campers build an understanding of and a respect for wildlife in our lives and the role that zoos play in wildlife conservation and environmental education.

## About the Zoo In Forest Park & Education Center.....

The Zoo in Forest Park is a non-profit organization governed by the Forest Park Zoological Society. The Zoo is a science teacher's resource, and an education center for young and old alike. The staff and volunteers are dedicated to animal care and wildlife education. We
